An employee, other than a casual employee as defined above, is eligible for benefits under this article.

Sick leave days may be used for reasons of personal illness, personal injury, personal medical appointments, or personal dental emergencies only. Appointments shall be scheduled outside of working hours, where possible.

Employees receiving benefits under the *Workplace Safety and Insurance Act*, or under an LTD plan, are not entitled to benefits under a school board’s sick leave and short-term disability plan for the same condition.

reduced to reflect the proportion the long-term supply assignment bears to the length of the regular work year for the position.

c) Short Term Disability Coverage – Days Payable at 90% Wages

Permanent Employees

Employees on Long-Term Supply Assignments

d) Eligibility and Allocation

A sick leave day/short term disability leave day will be allocated and paid in accordance with current local practice.

Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

Permanent Employees

The allocations outlined in paragraphs b) and c) above will be provided on the first day of each fiscal year, or the first day of employment, subject to the exceptions below:

Where a permanent Employee is accessing sick leave and/or the short-term disability plan in a fiscal year and the absence continues into the following fiscal year for the same medical condition, the permanent Employee will continue to access any unused sick leave days or short-term disability days from the previous fiscal year's allocation.

A new allocation will not be provided to the permanent Employee until s/he has returned to work and completed eleven (11) consecutive working days at their regular working hours. The permanent Employee's new sick leave allocation will be eleven (11) sick leave days payable at 100% wages. The permanent Employee will also be allocated one hundred and twenty (120) short-term disability leave days based on the provisions outlined in c) above reduced by any paid sick days already taken in the current fiscal year.

If a permanent Employee is absent on his/her last regularly scheduled work day and the first regularly scheduled work day of the following year for unrelated reasons, the allocation outlined above will be provided on the first day of the fiscal year, provided the employee submits medical documentation to support the absence, in accordance with paragraph (h).

Employees on Long-Term Supply Assignments

Employees completing long term supply assignments may only access sick leave and short-term disability leave in the fiscal year in which the allocation was provided. Any remaining allocation may be used in subsequent long-term supply assignments, provided these occur within the same fiscal year.

Employees employed in a long-term supply assignment which is less than the ordinary period of employment for the position shall have their sick leave and short-term disability allocations pro-rated accordingly.

Where the length of the long-term supply assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/short-term disability leave to occur. If a change is made to the length of the assignment, an adjustment will be made to the allocation and applied retroactively.

e) Refresh Provision for Permanent Employees

Permanent Employees returning from LTD or workplace insurance leave to resume their regular working hours must complete eleven (11) consecutive working days at their regular working hours to receive a new allocation of sick/short-term disability leave. If the Employee has a recurrence of the same illness or injury, s/he is required to apply to reopen the previous LTD or WSIB claim, as applicable.

The Local union and Local school board agree to continue to cooperate in the implementation and administration of early intervention and safe return to work processes as a component of the Short-Term Leave and Long Term Disability Plans.

In the event the Employee exhausts his/her sick/short-term disability leave allocation from the previous year and continues to work part-time, their salary will be reduced accordingly and a pro-rated sick/short-term allocation for the employee's working portion of the current year will be provided. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours. Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

For the purposes of d) and e) of this article, eleven (11) consecutive working days of employment shall not include a period of leave for a medical appointment, which is related to the illness/injury that had been the reason for the employee's previous absence, but days worked before and after such leave shall be considered consecutive. It shall be the employee's obligation to provide medical confirmation that the appointment was related to the illness/injury.

f) WSIB & LTD

An Employee who is receiving benefits under the Workplace Safety and Insurance Act, or under an LTD plan, is not entitled to benefits under a school board's sick leave and short-term disability plan for the same condition unless the employee is on a graduated return to work program then WSIB/LTD remains the first payor.

For clarity, where an employee is receiving partial benefits under WSIB/LTD, they may be entitled to receive benefits under the sick leave plan, subject to the circumstances of the

specific situation. During the interim period from the date of the injury/incident or illness to the date of the approval by the WSIB/LTD of the claim, the employee may access sick leave and short-term leave and disability coverage. A reconciliation of sick leave deductions made and payments provided, will be undertaken by the school board once the WSIB/LTD has adjudicated and approved the claim. In the event that the WSIB/LTD does not approve the claim, the school board shall deal with the absence consistent with the terms of the sick leave and short-term leave and disability plans.

g) Graduated Return to Work

Where an Employee is not receiving benefits from another source and is working less than his/her regular working hours in the course of a graduated return-to-work as the Employee recovers from an illness or injury, the Employee may use any unused sick/short term disability allocation remaining, if any, for the portion of the day where the Employee is unable to work due to illness or injury. A partial sick/short term leave day will be deducted for an absence of a partial day in the same proportion as the duration of the absence is to an employee's regular hours.

Where an employee returns on a graduated return to work from a WSIB/LTD claim, and is working less than his/her regular hours, WSIB and LTD will be used to top up the employee's wages, as approved and if applicable.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source;
- and is working less than his/her regular hours of work;
- and has sick leave days and/or short-term disability days remaining from the previous year

The employee can access those remaining days to top up their wages proportional to the hours not worked.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source,
- and is working less than his/her regular hours of work,
- and has no sick leave days and/ or short-term disability days remaining from the previous year,

the employee will receive 11 days of sick leave paid at 100% of the new reduced working hours. When the employee's hours of work increase during the graduated return to work, the employee's sick leave will be adjusted in accordance with the new schedule. In accordance with paragraph c), the Employee will also be allocated one hundred and twenty (120) short-term disability days payable at ninety percent (90%) of regular salary proportional to the hours scheduled to work under the graduated return to work. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours.

h) Proof of Illness

Sick Leave Days Payable at 100%

A Board may request medical confirmation of illness or injury and any restrictions or limitations any Employee may have, confirming the dates of absence and the reason thereof (omitting a diagnosis). Medical confirmation is to be provided by the Employee for absences of five (5) consecutive working days or longer. The medical confirmation may be required to be provided on the form contained in Appendix C.

Short-Term Disability Leave

In order to access short-term disability leave, medical confirmation may be requested and shall be provided on the form attached as Appendix "C" to this Agreement.

In either instance where an Employee does not provide medical confirmation as requested, or otherwise declines to participate and/or cooperate in the administration of the Sick Leave Plan, access to compensation may be suspended or denied. Before access to compensation is denied, discussion will occur between the union and the school board. Compensation will not be denied for the sole reason that the medical practitioner refuses to provide the required medical information. A school board may require an independent medical examination to be completed by a medical practitioner qualified in respect of the illness or injury of the Board's choice at the Board's expense.

In cases where the Employee's failure to cooperate is the result of a medical condition, the Board shall consider those extenuating circumstances in arriving at a decision.

i) Notification of Sick Leave Days

The Board shall notify employees and the Bargaining Unit, when they have exhausted their 11 days allocation of sick leave at 100% of salary.

j) Pension Contributions While on Short Term Disability

Contributions for OMERS Plan Members:

When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OMERS contributions based on 100% of the employee/plan member's regular pay.

Contributions for OTPP Plan Members:

- i. When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OTPP contributions based on 100% of the employee/plan member's regular pay.
- ii. If the plan employee/plan member exceeds the maximum allowable paid sick leave before qualifying for Long-Term Disability (LTD)/Long Term Income Protection (LTIP), pension contributions will cease. The employee/plan member is entitled to complete a purchase of credited service, subject to existing plan provisions for periods of absence due to illness between contributions ceasing under a paid short-term sick leave provision and qualification for Long-Term Disability (LTD)/Long-Term Income Protection (LTIP) when employee contributions are waived. If an employee/plan member is not approved for LTD/LTIP, such absence shall be subject to existing plan provisions.

k) Top-up Provisions

Employees accessing short-term disability leave as set out in paragraph c) will have access to any unused sick leave days from their last fiscal year worked for the purpose of topping up wages to one hundred percent (100%) under the short-term disability leave.

This top-up is calculated as follows:

Eleven (11) days less the number of sick leave days used in the most recent fiscal year worked.

Each top-up to 100% from 90 to 100% requires the corresponding fraction of a day available for top-up.

In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short-Term Paid Leave Days/Miscellaneous Personal Leave Days in the current year. These days can be used to top-up salary under the short-term disability leave.

When employees use any part of a short-term disability leave day they may access their top up bank to top up their salary to 100%.

l) Sick Leave to Establish EI Maternity Benefits

If the Employee will be able to establish a new EI Maternity Benefit claim in the six weeks immediately following the birth of her child through access to sick leave at 100% of her regular salary, she shall be eligible for up to six weeks leave at 100% of her regular salary without deduction from the sick days or short-term disability leave days (remainder of six weeks topped-up as SEB).

C7.00 CENTRAL LABOUR RELATIONS COMMITTEE

C7.1 Preamble

The Council of Trustees' Associations (CTA) and the Canadian Union of Public Employees (CUPE) agree to establish a joint Central Labour Relations Committee (Committee) to promote and facilitate communication between rounds of bargaining on issues of joint interest.

C7.2 Membership

The Committee shall include four (4) representatives from CUPE/SCFP and four (4) representatives from the CTA. The parties may mutually agree to invite the Crown and/or other persons to attend meetings in order to provide support and resources as required.

C7.3 Co-Chair Selection

CUPE/SCFP and CTA representatives will each select one co-chair. The two Co-Chairs will govern the group's agendas, work and meetings.

C7.4 Meetings

The Committee will meet within sixty (60) calendar days of the ratification of the central terms of the collective agreement. The Committee shall meet on agreed upon dates three (3) times in each school year, or more often as mutually agreed.

C7.5 Agenda and Minutes

- a) Agendas of reasonable length detailing issues in a clear and concise fashion will be developed jointly between the co-chairs, translated into the French language and provided to committee members at least ten (10) working days prior to the scheduled date of the meeting. Agenda items should be of general concern to the parties as opposed to personal concerns of individual employees. It is not the mandate of the Committee to deal with matters that have been filed as central disputes. With mutual consent, additional items may be added prior to, or at the meeting.
- b) The minutes will be produced by the CTA and agreed upon by the parties on an item-by-item basis. The minutes will reflect the items discussed and any agreement or disagreement on solutions. Where the matter is deferred, the minutes will reflect which party is responsible for follow-up. The minutes will be translated into the French language and authorized for distribution to the parties and the Crown once signed by a representative from both parties.

C7.6 Without Prejudice or Precedent

The parties to the Committee agree that any discussion at the Committee will be on a without-prejudice and without-precedent basis, unless agreed otherwise.

C7.7 Cost of Labour Relations Meetings

The parties agree that efforts will be made to minimize costs related to the committee.

C8.00 CUPE/SCFP MEMBERS ON PROVINCIAL COMMITTEES

CUPE/SCFP appointees to Provincial Committees will not have their participation charged against local collective agreement union release time or days.

C9.00 ATTENDANCE AT MANDATORY MEETINGS/SCHOOL EVENTS

Where an employee is required through clear direction by the board to attend work outside of regular working hours, the provisions of the local collective agreement regarding hours of work and compensation, including any relevant overtime/lieu time provisions, shall apply.

Required attendance outside of regular working hours may include, but is not limited to school staff meetings, parent/teacher interviews, curriculum nights, Individual Education Plan and Identification Placement Review Committee meetings, and consultations with board professional staff.

C10.00 CASUAL SENIORITY EMPLOYEE LIST

On or before September 1, 2016, school boards shall establish a seniority list for casual/temporary employees, where a list does not currently exist. This will be a separate list from permanent employees and shall have as its sole purpose to track length of service with the Board. Further, the list shall have no other force or effect on local collective agreements other than those that may already exist for casual/temporary employees in the 2008-12 local collective agreement.

C11.00 UNION REPRESENTATION AS IT RELATES TO CENTRAL BARGAINING

Negotiations Committee

At all central bargaining meetings with the Employer representatives the union will be represented by the OSBCU negotiations committee.

The union will be consulted prior to the tendering process for the broader central bargaining location. The tendering process shall be conducted in accordance with the OPS Procurement Directive.

Supplemental Employment Benefits (SEB)

- g) The Employer shall provide for permanent employees who access such Leaves, a SEB plan to top up their E.I. Benefits. The permanent employee who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks provided the period falls within the work year and during a period for which the permanent employee would normally be paid. The SEB Plan pay will be the difference between the gross amount the employee receives from E.I. and their regular gross pay.
- h) Employees completing a term assignment shall also be eligible for the SEB plan with the length of the benefit limited by the length of the assignment.
- i) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.

The parties agree to discuss the impact to the affected school board or authority of the merger, amalgamation or integration, including possible redeployment strategies.

C14.00 SPECIALIZED JOB CLASSES

The following language applies to a particular position that requires post-secondary training, licensing, and is not funded on a provincial grid. It also includes a position in the information technology sector requiring specialized skills.

Where a school board determines that an evaluation is necessary, and where the compensation package for the position is determined to be below the local market value outside of the education sector, as evidenced by a local market value assessment, the applicable school board may adjust the base wage or salary rate for the position following a discussion between the local Parties.

C15.00 PROFESSIONAL ACTIVITY DAYS

The parties agree that if the Ministry of Education declares a change in the number of PA Days the following shall apply:

The parties agree that there will be no loss of pay for CUPE members (excluding casual employees) as a result of the change in the number of PA Days determined by the Ministry of Education. The scheduling of PA days shall not change the number of paid days for the work year as per the Collective Agreement.

* “General Nature of Illness” (or injury) suggests a general statement of a person’s illness or injury in plain language without any technical medical details, including diagnosis. Although revealing the nature of an illness may suggest the diagnosis, it will not necessarily do so. “Nature of illness” and “diagnosis” are not congruent terms. For example, a statement that a person has a cardiac or abdominal condition or that s/he has undergone surgery in that respect reveals the essence of the situation without revealing a diagnosis.

Additional or follow up information may be requested as appropriate.

Re: Status Quo Central Items

The parties agree that the following central issues have been addressed at the central table and that the language relating to these provisions shall remain status quo. For further clarity, if language exists in part B, the following items are to be retained as written in the 2019-2022 collective agreements. AND

Re: Status Quo Central Items and Items Requiring Amendment and Incorporation

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo or are altered as outlined below. The following language must, however, be aligned with current local provisions. The following issues are not subject to local bargaining or amendment by the local parties. Any disputes arising from these provisions may form the subject of a central dispute.

PREGNANCY/PARENTAL LEAVES OF ABSENCE/SEB – EI WAITING PERIOD

The parties agree that the issue of the statutory amendment to the *Employment Insurance Act* resulting in a reduction of the employment insurance waiting period has been addressed at the central table and the intent of any existing local collective agreement provisions shall remain status quo. Therefore, where a school board's local collective agreement language references a two-week waiting period and required payment for the two-week waiting period, the board shall ensure that the funds payable from the board to a permanent employee taking an approved leave of 12 months or greater, shall reflect the full sum that would have been payable prior to the reduction of the waiting period.

Provisions with regard to waiting periods and/or payments during such waiting periods shall not be subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein and to accord with the relevant statutory change that reduced the waiting period to one week.

STATUTORY/PUBLIC HOLIDAYS

School boards shall ensure that within their local collective agreement terms, Family Day is included as a statutory/public holiday.

WSIB TOP-UP

If a class of employee was entitled to receive WSIB top-up on August 31, 2012 deducted from sick leave, the parties who have not yet do so must incorporate those same provisions without

deduction from sick leave. The top-up amount to a maximum of four (4) years and six (6) month shall be included in the 2019-2022 collective agreement.

For parties who have yet to incorporate or aligned local language into the 2014-2017 collective agreement, the following shall apply:

Common Central Provisions

Maternity Benefits/SEB Plan

- a) A full-time and part-time permanent Employee who is eligible for pregnancy leave pursuant to the Employment Standards Act, shall receive *100% salary through a Supplemental Employment Benefit (SEB) plan for a total of *eight (8) weeks (*or insert local superior provision reflecting status quo) immediately following the birth of her child with no deduction from sick leave or the Short Term Leave Disability Program (STLDP).
- b) Full-time and part-time permanent Employees not eligible for a SEB plan as a result of failing to qualify for Employment Insurance will be eligible to receive 100% of salary from the employer for a total of eight (8) weeks with no deduction from sick leave or STLDP.
- c) Where any part of the eight (8) weeks falls during the period of time that is not eligible for pay (i.e. summer, March Break, etc.), the full eight (8) weeks of top up shall continue to be paid.
- d) Full-time and part-time permanent Employees who require longer than the eight (8) week recuperation period shall have access to sick leave and the STLDP subject to meeting the requirements to provide acceptable medical verification.
- e) Employees completing a long-term supply assignment of 6 months or more shall be eligible for the SEB as described herein for a maximum of eight (8) weeks or the remaining number of weeks in their current assignment after the birth of her child, whichever is less.
- f) Employees not defined above have no entitlement to the benefits outlined in this article.

SHORT-TERM PAID LEAVES

The parties agree that the issue of short-term paid leaves has been addressed at the central table and the provisions shall remain status quo to the provisions in current local collective agreements. For clarity, any leave of absence in the 2008-2012 local collective agreement that utilized deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of 5 days per school year. For further clarity, those boards that had 5 or less shall remain at that level. Boards that had 5 or more days shall be capped at 5

days. These days shall not be used for the purpose of sick leave, nor shall they accumulate from year to year.

Short-term paid leave provisions in the 2008-12 collective agreement that did not utilize deduction from sick leave remain status quo and must be incorporated into the 2014-17 collective agreement.

Provisions with regard to short-term paid leaves shall not subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein.

RETIREMENT GRATUITIES

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix B - Retirement Gratuities.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. Employees are not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Employee had accumulated and was eligible to receive as of that day. The following language applies only to those employees eligible for the gratuity above.”

SICK LEAVE TO BRIDGE LONG-TERM DISABILITY WAITING PERIOD

Boards which have Long-Term Disability waiting periods greater than 131 days shall ensure there is language that accords with the following entitlement:

An Employee who has applied for long-term disability is eligible for additional short-term disability leave days up to the maximum difference between the long-term disability waiting period and 131 days. The additional days shall be payable at 90% and shall be used only to bridge the employee to the long-term disability waiting period if, under a collective agreement in effect on August 31, 2012, the employee was required to wait more than 131 days before being eligible for benefits under a long-term disability plan and the collective agreement did not allow the employee the option of reducing that waiting period.

Re: Job Security: Protected Complement

The parties acknowledge that education workers contribute in a significant way to student achievement and well-being.

1. Effective as of the date of central ratification, the Board undertakes to maintain its Protected Complement, except in cases of:
 - a. A catastrophic or unforeseeable event or circumstance;
 - b. Declining enrolment;
 - c. Funding reductions directly related to services provided by bargaining unit members; or
 - d. School closure and/or school consolidation.
2. Where complement reductions are required pursuant to 1. above, they shall be achieved as follows:
 - a. In the case of declining enrolment, complement reductions shall occur at a rate not greater than the rate of student loss, and
 - b. In the case of funding reductions, complement reductions shall not exceed the amount of such funding reductions, and
 - c. In the case of school closure and/or school consolidation, complement reductions shall not exceed the number of staff prior to school closure/consolidation at the affected location(s).

Local collective agreement language will be respected, regarding notification to the union of complement reduction. In the case where there is no local language the board will notify the union within twenty (20) working days of determining there is to be a complement reduction.

3. For the purpose of this Letter of Understanding, at any relevant time, the overall protected complement is equal to:
 - a. The FTE number (excluding temporary, casual and/or occasional positions) as at date of central ratification. The FTE number is to be agreed to by the parties through consultation at the local level. Appropriate disclosure will be provided during this

consultation. Disputes with regard to the FTE number may be referred to the Central Dispute Resolution Process.

- b. Minus any attrition, defined as positions that become vacant and are not replaced, of bargaining unit members which occurs after the date of central ratification.
4. Once the FTE number has been established in accordance with paragraph 3, above, the local parties shall jointly report the number to the Central Labour Relations Committee.
5. Notwithstanding the provisions of the School Boards Collective Bargaining Act (SBCBA) requiring the ratification of both local and central terms for a collective agreement to be effective, the parties agree that CUPE locals and School Boards will meet within 30 days of ratification of the central agreement to establish and maintain the protected complement.
6. Reductions as may be required in 1. above shall only be achieved through lay-off after consultation with the union on alternative measures, which may include:
 - a. priority for available temporary, casual and/or occasional assignments;
 - b. the establishment of a permanent supply pool where feasible;
 - c. the development of a voluntary workforce reduction program (contingent on full provincial government funding).
7. The above language does not allow trade-offs between the classifications outlined below:
 - a. Educational Assistants
 - b. DECEs
 - c. Secretaries
 - d. Custodians
 - e. Cleaners
 - f. Information Technology Staff

The employee's immediate supervisor shall give the employee a reply within two (2) working days. An employee may elect to have a steward present.
- 9.03 No grievance shall be considered which was not presented within ten (10) working days after the circumstances which gave rise to it came to the attention of or should have come to the attention of the employee concerned.
- 9.04 The original copy of a grievance to be considered in the grievance procedure will be submitted to Human Resources Services where each grievance shall, upon being received, be processed in accordance with the steps outlined in this article. Grievances shall be addressed and settled as follows:

STEP 1

- i) If an employee has a grievance, the employee shall first and immediately within the ten (10) working days referred to in 9.03 submit the grievance in writing in accordance with Article 9.04 above. If the employee wishes, assistance of the steward may be requested.

- 9.08 A complaint or grievance which has been disposed of pursuant to the grievance and/or arbitration provisions of this Agreement shall not again be made the subject matter of a complaint or grievance.
- 9.09 In the event of any alleged violation of the "No Strike or Lockout" article hereof, the aggrieved party may cause the matter to be submitted to special arbitration and a special arbitrator may be appointed and shall hold a hearing immediately or within twenty-four (24) hours of being appointed. - 9.11 (i) A decision reached at any stage of the grievance procedure above outlined shall be final and binding upon all parties hereto, including the complaining employee, and shall not be subject to re-opening by any party except by mutual agreement.

If the grievance is settled at Steps 1, 2, or 3 of the grievance procedure both the Board's and Union's representatives who pass on the same as provided herein, shall sign the settlement as endorsed on the written grievance, so that no question or argument may arise as to what the settlement was.
